

Safety Tips

- Please keep these gummies refrigerated and away from direct light.
- Please keep all gummies in the provided packaging, as exposure to open air will negatively impact the gummies' texture.
- The gummies are not candy and should be stored out of reach of children until they are ready to be dosed.
- Patients should only consume the prescribed amount of gummies. Consuming more than the prescribed amount can potentially harm a patient.
- It is recommended to drink room temperature water immediately after chewing a gummy to ensure the entire dose is swallowed.

Shapes: For non-peanut gummies, shapes are as follows	 Bonbon 1mg	 Cube 2.5mg
	 Hexagon 5mg	 Gumdrop 25mg

Ingredients

- Ground or Flour Form of a Nut, Grain, Seed, or Legume
- Water
- Granulated Sugar
- Beef Gelatin
- Citric Acid
- Potassium Sorbate
- Artificial Flavor
- Artificial Food Coloring
