

Safety Tips

- These gummies do not require refrigeration. Please store in a cool, dry place away from direct sunlight and heat.
- Please keep all gummies in the provided packaging, as exposure to open air will negatively impact the gummies' texture.
- The gummies are not candy and should be stored out of reach of children until they are ready to be dosed.
- Patients should only consume the prescribed amount of gummies. Consuming more than the prescribed amount can potentially harm a patient.
- It is recommended to drink room temperature water immediately after chewing a gummy to ensure the entire dose is swallowed.
